South Grand Prairie ECCHS

TEXAS COLLEGE & CAREER READINESS SCHOOL MODELS

South Grand Prairie High School in Grand Prairie ISD prides itself on the high level of TSI preparation among its students. The school has been serving students with the ECCHS model since 2015. Its ECCHS program offers TSI Prep as a summer bridge, a school-year course, and as an advisory or mid-semester preparation. Curriculum materials include online resources, teacher prep, testing windows and tools for tracking student testing success. The school is adding two additional courses to the winter schedule to help students earn additional credits. Commitment to TSI readiness distinguishes this dedicated campus.
